This book is getting positive reviews, and it's selling well in cute gift shops, candle stores, wellness stores, crystal shops, and more. I'm excited by the great responses I'm getting from people all over who've read it.

"This book is a brilliant mixture of intuitive guidance and active engagement for the reader. The daily exercises provide a pathway to peace via mind-heart integration."

- Verna Bowen

"I've enjoyed this book so much I bought it for two people."

- Angelfire
